Leech Lake Reservation's 2023-2024 Hunting & Trapping Season Dates & Seasonal Limits

Big Game Season & Seasonal Limits

White Tailed Deer
September 1, 2023 to December 31, 2023

Bucks or Does Two (2) Deer Tags per Resident, Tribal, Non-Band

Note: <u>The DRM will be testing deer for Chronic Wasting Disease this fall due to the finding of the disease near the Reservation.</u> Details of this sampling will be available in a separate document.

The Leech Lake D.R.M. and the Minnesota D.N.R. are in the process of rebuilding the deer population. You can help speed this process by avoid harvesting adult does this year. Adult does are the most important deer in a population because they will usually have twins, and the survival rate of their fawns is higher. The faster we recover the deer population the sooner we can start issuing additional tags again. Thank you.

August 26, 2023 to October 31, 2023 (One (1) per permittee)

Small Game Season & Seasonal Limits

Rabbits, Hare, and Squirrels
Continuous season – No limit

Ruffed Grouse, Woodcock
September 1, 2023 to December 31, 2023

Common Snipe & Sora Rail Daily Bag Limit: Six (6)

Possession Limit: Twelve (12)

Hunters are encouraged to use bullets that do not contain lead to prevent poisoning in humans and wildlife, like eagles that feed on gut piles.

Trapping Season Dates & Seasonal Limits

•	Beaver	October 1, 2023 to May 10, 2024	No Limit
•	Coyote	Continuous Season	No Limit
•	Fox	October 1, 2023 to February 28, 2024	No Limit
