Dear Band Employees-

Pursuant to Tribal Council action, the Leech Lake Opioid Treatment Program will no longer be under the authority of Leech Lake Human Services. The Tribal Council authorized that this program will be a stand alone program and have also employed Dr. Ross Mangiamele as Medical Director. Additionally, Becky White will be the Opioid Program Division Director. Thank you for your attention to this matter.

Sincerely,

A handwritten signature in cursive script that reads "Richard Robinson J.".
