

# HEALING PATHWAYS

(Pathways through Early Adulthood)

**Who:** Did you participate in the Healing Pathways project?

(The study began interviews in 2002 with participants around 11 yrs. old. The study ended in 2010 when participants were around 19 yrs. old).

**What:** The Healing Pathways project has started again!

(Now called 'Pathways through Early Adulthood')

**When:** Recruitment and interviews began August 2017.

**What's next?:** If you remember participating when you were young, **please update your contact information at:** [z.umn.edu/healingpathways](http://z.umn.edu/healingpathways) or by connecting with Carol or Angie (phone/email below). After we receive your updated contact information, a project interviewer will be in touch with more detailed information.
