President Obama Signs Hearth Act

When President Obama signed the “Helping Expedite and Advance Responsible Tribal Home Ownership Act of 2012,” he is helping allow Tribes to lease previously restricted lands for business, agricultural, public, educational, and residential purposes without approval from the Federal Government, more specifically, the Secretary of the Interior.

The signing of the Hearth Act bolsters self-determination for Tribes and should create employment opportunities. Now Tribes can set their own policies when it comes to leasing land on Reservations. After the Interior Department approves of the internal policy tracts regarding leasing on individual Reservations, Tribes will have the authority to process these projects without BIA approval. This should cut the time it takes to process these agreements significantly which will create an environment of economic opportunity.

The Hearth Act is just the latest in a number of Federal initiatives aimed at fostering growth and opportunity throughout Indian country. Through the Hearth Act, TED bonds, Cobell/Keepseagle Settlements, as well as the Tribal Law and Order Act, President Obama’s efforts to aid American Indian communities across the country are well documented.

GET OUT THE NATIVE VOTE
2012

General Election is Tuesday November 6, 2012.

The deadline to pre-register to vote in the General Election is October 16, 2012 by 5:00 p.m. at your county seat. Voters not currently registered who wish to vote in the General Election may also register to vote on Election Day at your county seat.

Mail-in voting. The ballot consists of two sides 1) State Partisan Primary where you may only vote one political party (if you deviate from voting one political party - your ballot will not be counted) and 2) State and County Nonpartisan Primary.

If you are in a mail-in precinct (Cass River, Bena, Ball Club, Winnie Dam, Inger, Federal Dam, Sugar Point, Onigum, Old Agency, Oak Point, Buck Lake, & Kego Lake) and a registered voter, you may expect to receive your ballot in the mail anywhere from October 6, 2012 to October 20th, 2012. Follow the instructions clearly detailed in your ballot packet. You have until Wednesday, October 31, 2012 to mail the mail-in ballot for it to arrive on Election Day at your county seat.

If you have not received a ballot in the mail, you may go to the County Seat to register to vote and vote anytime up to 8:00 p.m. on Election Day – November 6, 2012.

Are you at risk?

Are you a woman?  Are you getting older?  If you answered yes to those two questions, you are at risk for this disease. Breast cancer is the most common cancer among American women, excluding skin cancer. It is also one of the leading causes of death among women.

You cannot change your age or gender, but knowing your risk factors can help you make lifestyle choices that will help you lower your risk. It is important that you know your family history – looking for family members who have had breast cancer. It is also important to talk with your doctor before you start considering your options for developing cancer. The provider will work with you on getting screened, reviewing your diet, and assisting you with tobacco cessation.

Screening tests are available. Clinical breast exams done by a medical provider or nurse should be done at least once every 3 years starting at age 20, and every year after age 40. The ideal time for mammograms varies. It is best the screening test currently available to find breast cancer early. Mammograms are recommended to be done yearly beginning at age 40, or earlier if there is a family history. The radiology technician will need to flatten the breast tissue to get the best picture, but it is usually a very quick test.

You are the best judge of what is normal in your body, so always know what is normal for you. If you notice any of the following changes, call your medical provider right away:

- Lumpy, hard, or thickening
- Swelling, warmth, redness or darkening
- Changes in the size or shape of the breast
- Discharge or puddling of the skin
- Itchy, scaly sore or rash on the nipple
- Pulling in of your nipple or other parts of the breast
- Nipple discharge that starts suddenly
- New pain in one spot that doesn’t go away

While it is not common, men can also get breast cancer. So men also need to be aware of any changes in their breasts and report those changes immediately to their provider.

For those eligible for services at the Cass Lake Indian Health Service Unit, we are happy to assist you in getting mammograms or clinical breast exams. The provider will work with you to get your exams and established with a care team.

If you are currently not assigned to a care team, please call any of the numbers and we will work with you to get your exams and establish with a care team.

Breathing life into the Ojibwe culture

The program is called NanaaSogkadheekwa, Ojibwe for “Seeking to Learn.” It was held in Ball Club for six weeks starting in mid-July and running until the third week in August. These interested came Monday through Wednesday evenings and how to use the Ojibwe naming ceremony, drum ceremony, pipe ceremony and learned Ojibwe names.

In the program, we are giving you the opportunity to learn more about the use of the Ojibwe language. This is an opportunity for you to learn how to use the Ojibwe language in a spiritual way. We are giving you the opportunity to learn how to use the Ojibwe language in a spiritual way.

Minnwaajimo (Telling good news) ~from the desk of Cynthia Johnson, Bug O Nay Ge Shig School Superintendent, Gizhaawendaamin Gidikiminaan. We care for the earth and everything on it.

On Sept. 20 and 21, students in grades 7-12 participated in a service learning project while their teachers participated in professional development on positive behavior intervention strategies.

Larry Aitken began the day on Sept. 20 and spoke to the students about the Anishinaabe culture and customs and encouraged them to care about themselves and others. He called upon the students to be respectful to elders, especially their mothers, and encouraged them to be grateful for all they have.

Following the opening, the students began their work projects. They painted the parking lot lines and curbs, installed signs, raked the playground woodchips, sewed curtains for their teachers’ workrooms, and cleaned and painted the outdoor basketball and tennis courts. Students also worked with adults to build compost bins, a greenhouse and solar panels. Additionally, 39 students participated in CPR/AED training and passed their certification tests.

Students were surveyed after the project and the majority of students said the project was meaningful and advised doing it again next year. It was a pleasure to work with students and their work made a significant difference around the campus.

The greenhouse will be used to grow fresh vegetables and the compost bins will help reduce the cost for waste management. The solar panels will be used to heat the greenhouse at no additional cost for energy.

Feature Teacher: The feature teacher this month is Bonnie Rank. “Boom-baak nindizhinikaaz, Maa’inganindoodem. Gaamiskwaakaa nindon jibaa.” Bonnie teaches language arts for grades 7-12. Her favorite color is black and her favorite sport is basketball. Bonnie enjoys working outdoors and caring for her animals…3 horses, 3 dogs, and 5 cats (one is pregnant…want kittens??)

On her bulletin board hang her classroom expectations, all positive statements rather than a list of don’ts.

• Be a hero
• Be a role model
• Be on time
• Let’s see your smiles
• Use positive language
• Use restrooms between classes
• Clean up after yourself
• Keep electronics in your lockers

Bonnie’s favorite quotes are by Nez Perce Tribe Chief Josee, “It does not require many words to speak the Truth.” And “I will fight no more forever.”

When asked what advice she would give others, she said, “You can do anything. Make the commitment and do it. If it is truly in your heart to do, everything will work out for you to succeed. You need to believe you can do it and your guardian helpers will take care of you.” Great advice for all of us to live by. Miigwech, Bonnie.

October events:

Parent teacher conferences will be held Oct. 17 and 19 by appointment. Teachers will contact parents to schedule meeting times. On Oct. 17, the conferences will be from 3:30 – 6:30 and transportation will be available. A meal will be served and games and activities will be planned for the children. The Oct. 19 conferences will be held from 8:00 a.m.-noon but there will not be transportation provided. There will be no school for students on Oct. 19.

Rachel’s Challenge: Lake Country Power will sponsor a presentation of bully prevention and positive school climate on Wednesday, Oct. 24. Rachel’s Challenge was established as a tribute to Rachel Joy Scott who was one of the students killed in the Columbine school tragedy. Following her death, her journal was discovered, and her parents began using her words to help create a kinder, more compassionate nation. For more information on this project, visit the website at www.rachelschallenge.org

Students will participate in leadership training and there will be programs for elementary and high school students during the day. A community presentation and discussion will be from 5:00-6:00 in the school gym. Due to the sensitive nature of information that may be shared, children are not encouraged to attend the adult presentations. Games and activities for the children will be provided during the community event. Transportation will be provided for the event and a meal will be served.

This event is open to the public and everyone is invited to participate in this project.

LLGB GET OUT THE NATIVE VOTE 2012 continued from page 1

Your voter registration remains current until you move, change your name, or do not vote for four consecutive years. You may update your registration information by completing another Voter Registration Application.

To be eligible to vote you must meet the following criteria:

• Will be 18 years old on Election day (November 6, 2012).
• Are a citizen of the United States
• Will have resided in Minnesota for 20 days immediately preceding Election day.
• Have any felony conviction record discharged, expired or completed
• Are not under court-ordered guardianship where a court has revoked your voting rights
• Have not been ruled legally incompetent by a court of law

Registering on Election Day
If you are not registered to vote or need to update your registration information, you may do so at your local polling location on Election Day as long as you can provide proof of residence.

To register at your polling site on Election day, you must bring one of the following with your current name and address to verify your residence in the precinct:

• A Tribal ID that contains your picture and signature
• A valid MN driver’s license, learner’s permit, MN ID card, or except for any of these
• A valid student ID card including your photo, if your college has provided a student housing list to election officials
• A valid registration in the same precinct under a different name or address
• A notice of late registration sent to you by your county auditor or city clerk
• If a voter registered in the same precinct as you can confirm your address with a signed oath
• An employee of the residential facility where you live who can confirm your address

If your photo ID does not have your current address you will need both 1) a photo ID from the list below and 2) a current bill from the list below with your current name and address in the precinct.

Photo IDs (may be expired)

• Tribal ID
• MN driver’s license
• MN ID card
• US passport
