Old Business:

Tried to get Facilities Maintenance to come to our meeting they were unable hopefully next month. We need to discuss the continued issues of the lack of cleaning of the center, also the repairs we have been asking for since September. Kitchen outlets do not work, Bev will do a work order for this repair. Karyn and Bev will start cleaning the building again so it won't be so dirty. We will contact Dist. III on this issue as well as Facilities Maintenance.

New Business:

Our Christmas party was good even though we had a low turnout due to lack of advertisement. There were 114 people in attendance. Issues we had have been forwarded to the Dist. III office.

Meeting adjourned at 6:57 PM
